

Long Beach Century Club

Legacy Society

The Long Beach Century Club Legacy Society recognizes all donors who make gifts, from either current resources or from their estate in support of our goals and objectives to support amateur athletes in the city of Long Beach. Donations to our club and Endowment Fund ensure that our efforts will continue into the upcoming years without interruptions caused by economic downturns. Direct donations are welcome as well as listing the Long Beach Century Club in your estate planning. Donors are recognized in two methods, on our website and in our annual Sports Banquet Program. For your convenience information on charitable giving is available on our website. If you currently have included the Long Beach Century Club in your estate planning and wish to be recognized as a member of the Legacy Society, please contact our Legacy Society Coordinator, Dan Gooch at: dangooch66@gmail.com. For more information about supporting the Long Beach Century Club in this method contact our Legacy Society Advisor, Mr. Vito Lanuti, Esq. at 562-537-7306 or vito@lanutilaw.com
