MAJOR SPONSORS

Founded by sports champions and social activists Billie Jean King and Ilana Kloss, the Billie Jean King Foundation builds on Billie Jean's life-long quest to provide opportunities across sports, education, and overall support to the next generation of game changing leaders. King is a Long Beach Century Club Hall of Fame member. Billie Jean's unwavering dedication to education reflects her belief in the power of knowledge to ignite change. She understands that education is not only a fundamental right but also a catalyst for progress. By supporting educational initiatives, the Foundation honors Billie Jean's commitment to equipping individuals with the tools they need to succeed, both on and off the field.

Prepare for the highly skilled technical jobs of today and tomorrow at Long Beach City College. Career Technical Education offers state-of-the-art courses with hands-on training for students seeking to enter technical fields, as well as professionals seeking to retrain or upgrade their skills. Areas of study include accounting, administration of justice, advanced transportation technology, cloud computing, digital media arts, electrical technology, fashion, game design, global trade and logistics, horticulture, nursing, social work and many more.

Since its inception in 1991, the Grand Prix Foundation of Long Beach has contributed over \$4 million to a wide cross-section of charitable organizations throughout the greater Long Beach area. Beginning 2022 the Foundation's mission shifted to supporting the education of the next generation of automotive technology and trades professionals in the Long Beach City College Career Technical Education program.

The Port of Long Beach's vision is to be the global leader in operational excellence and environmental stewardship. The mission is to serve as an international gateway for the reliable, efficient and sustainable movement of goods for the benefit of our local and global economies. "The Port of Choice" is an amazing partner to the many nonprofits within the City of Long Beach

Centralia Properties serves many local small business owners by providing industrial and commercial workspace to grow the economy. The Long Beach Century Club appreciates their support for programs that benefit the youth of Long Beach.

WELCOME FROM MIKE FILLIPOW AND JOHN FYLPAA

Banquet Co-Chairs and Past Presidents

Honored Guests,

The Long Beach Century Club was formed in 1957 as a nonprofit corporation dedicated to the promotion and recognition of amateur athletics in the City of Long Beach. Today our membership consists of well over 300 dedicated men and women making a difference in our sports community. Through our fundraising efforts, generous donations and community spirit of our members, the Century Club is proud to continue to celebrate and support our local middle school, high school, college and university student-athletes and programs. In addition, we continue to support many individuals including state, national, world, Olympic and Special Olympic athletes.

For over 35 years, the Century Club has hosted the All-City Team Sports Awards Banquet for Long Beach middle school champions. Tonight we are proud to recognize these outstanding student-athletes and sports teams. Last year the Long Beach Unified School District again expanded the middle school program to include three divisions in all sports, resulting in an enhanced Century Club awards program. We thank the principals, coaches, managers, and families for their time and commitment.

Your participation as a student-athlete yields many life-lessons including discipline, hard work and teamwork. You will always share a common bond with your teammates. We urge you to be your best, compete with integrity and represent Long Beach with pride. The Century Club members are proud of your accomplishments.

The Long Beach Century Club appreciates the generous contribution from the Grand Prix Foundation of Long Beach to help fund the Century Club's efforts to support our local middle schools and their student-athletes.

Since its inception in 1991, the Grand Prix Foundation of Long Beach has contributed over \$4 million to a wide cross-section of charitable organizations throughout the greater Long Beach area. These local charities included Long Beach Area Special Olympics, Operation Jump Start, Ronald McDonald House, Shortstop (Long Beach Bar Foundation), Women's Shelter of Long Beach and the Long Beach Century Club. The Foundation also established the Robert E. Leslie Memorial Scholarship program for graduating high school seniors.

Beginning 2022 the Foundation's mission shifted to supporting the education of the next generation of automotive technology and trades professionals in the Long Beach City College Career Technical Education program.

KEITH HANSEN SPORTSMANSHIP AWARD

Named in honor of Keith Hansen, a long-time teacher, coach and administrator in the Long Beach Unified School District. Keith served as a Long Beach Century Club president and the chair of the Middle School All-City Team Sports Award Banquet. The award is selected by team coaches and is presented to a school that has distinguished itself by exhibiting a high level of character and sportsmanship. Schools competed in two divisions starting in the 2005-2006 school year. In 2021-2022 the award presentation changed to one awardee out of three divisions.

ALL-SPORTS AWARDS DESCRIPTION

The Long Beach Century Club presents All-Sports Award plaques for Boys' Sports, Girls' Sports and Overall Sports (combined boys', girls' and coed sports). Schools competed in two divisions starting in the 2005-2006 school year. In 2021-2022 the award presentation changed to one awardee out of three divisions.

These awards are based on total points scored throughout the school year. All schools score points based on where they finish in their divisions.

The point system is like the one used in the Moore League at the high school level. Each team receives points based on its finish in each sport. A team receives 7 points for first place, 6 points for second and so on. The All-City Champion receives 2 additional points, and the runner-up gets 1 additional point. A team may earn the maximum 9 points in a sport by placing first in the division and winning the championship.

In summary, the school that runs the most complete athletic program with emphasis on all sports will win the Overall Sports Award.

Long Beach Century Club congratulates the winners!

Long Beach Century Club

Supporting Amateur Athletes and Sports Programs Since 1957

MISSION

The Long Beach Century Club consists of over 300 men and women who care deeply about assisting the youth of Long Beach who are involved in sports. The mission since 1957 has been to support these amateur athletes and teams when they require financial assistance to enhance program growth and the opportunity to compete. This support allows individuals and teams to compete all over the globe, often resulting in national and world championships. All local amateur sports and educational institutions benefit from Century Club funds. Continuous support is also provided to athletes participating in the Special Olympics. Approximately \$2.5 million has been contributed over the years to support local programs.

WEEKLY MEETINGS

Club members meet weekly at 6 p.m. on Tuesday evenings at the Boathouse on the Bay, 190 N. Marina Drive, Long Beach. Local coaches, teams, athletic administrators, professional athletes and Olympians are invited to speak about current topics of interest. Many speakers represent our local educational institutions: Long Beach State, Long Beach City College and Long Beach high schools and middle schools. Please come as our guest and learn more about the important role sports play in the lives of our youth and community.

MAJOR EVENTS

The Long Beach Century Club hosts three major events throughout the year: (1) An annual Sports Night Banquet when outstanding Long Beach based athletes are inducted into a Hall of Fame. We recognize athletes of the year and the top student-athletes in all sports from the high schools, community college, and local university. (2) An annual banquet to honor the student-athletes participating in LBUSD's middle school sports program. Each winning team member receives recognition that will "last a lifetime." (3) The Long Beach Mayor's Trophy Golf Tournament, which financially supports local athletic programs and creates scholarships for graduating high school student-athletes.

Long Beach Century Club Membership Application

Prospective members must be nominated by a member in good standing and endorsed by three sponsoring members. Annual membership dues for July 1 through June 30 are \$100 and payable July 1. Dues for middle school and high school coaches/administrators are \$50. New members joining between January 1 and June 30 pay dues upon joining and will have their dues applied toward the following year as well. Once accepted as a member, you will begin to receive regular emails that will inform you about weekly club meetings, activities, and opportunities for involvement.

You may hand your application and dues payment to the Century Club president, treasurer, or membership chair. Or go to www.lbcenturyclub.org, click Donate to pay, and mail this application to:

Long Beach Century Club
PO Box 3969
Long Beach, CA 90803

I hereby apply for membership with the Long Beach Century Club and agree to abide by the bylaws of the club upon my acceptance.

SECURING OUR WATER FUTURE TODAY

Though recent storms have brought much-needed rain to the region and WRD worked with our partners to capture as much water as safely possible to replenish our groundwater basins; our work is not done. The district continues to plan innovative and groundbreaking projects that safeguard our water resources. Rest assured that WRD is working hard to secure our region's water future.
