A MESSAGE FROM THE MAYOR OF LONG BEACH, REX RICHARDSON

Welcome!

Thank you for joining us at the 16th Annual Long Beach Mayor's Trophy Charity Golf Tournament. 100% of the net proceeds from today's event will benefit the Long Beach Century Club, a non-profit organization that helps enrich our community by supporting Long Beach youth engaged in the positive activities associated with athletic programs.

Your participation will make it possible for young people to build character, develop leadership skills, and improve their health and wellness through sports, while earning educational scholarships to help ensure success in college and beyond. Thanks to your generosity, this wonderful charity will be able to positively impact the lives of today's youth and position them as tomorrow's leaders.

We hope you enjoy today's festivities and that you will not hesitate to let us know if there is anything we can do to make your experience more memorable.

Sincerely,

Mayor Rex Richardson
