LONG BEACH CENTURY CLUB

MEMBER ORIENTATION PACKET

Welcome to the Long Beach Century Club

SUPPORTING LONG BEACH STUDENT-ATHLETES SINCE 1957

Welcome to the Long Beach Century Club

Congratulations on becoming a member of the Long Beach Century Club! On behalf of the youth of Long Beach, thank you for your support and commitment to our mission. We encourage you to become an active member by attending meetings, participating in social and traditional events, supporting fundraising efforts, serving on a committee, or even pursuing a role on the Board of Directors. While we are a large organization, we strive to make every member's experience personal and meaningful. We invite you to introduce yourself to fellow members, ask questions, and share your ideas as we work together to support amateur athletics in our community.

Who is the Century Club?

The Long Beach Century Club is a nonprofit 501(c)(3) organization made up of more than 400 members who share a passion for supporting youth athletics in Long Beach. Since 1957, our mission has been to provide financial assistance to student-athletes and teams, helping them grow their programs and compete in opportunities that might otherwise be out of reach. Through the generosity of our members, individuals and teams have traveled throughout the country and around the world, often returning home as national and world champions. Every local amateur sport has benefited from Century Club support, including ongoing contributions to athletes participating in the Special Olympics. Over the years, our members have donated millions of dollars to strengthen local athletic programs and create life-changing opportunities for young athletes.

Governance

The Long Beach Century Club is governed by member-approved Bylaws and an elected Board of Directors. These Bylaws outline how the organization operates, including the election and responsibilities of Board members, membership dues, financial policies, and other key governance procedures. A copy of the Bylaws is included at the end of this packet for your reference.

What You Receive as a Member

Once your membership is confirmed, the Membership Chair will add you to the Century Club's Membership Master List and introduce you as an official member at an upcoming meeting. You will also receive access to our online membership directory, making it easy to connect with fellow members. To protect everyone's privacy, the directory is intended solely for official Century Club business and should not be used for solicitation or shared with individuals outside the organization.

Meetings and Social Events

The Long Beach Century Club meets every Tuesday at 6:00 p.m., frequently at The Boathouse on the Bay (190 N. Marina Drive, Long Beach, CA 90803) or at various venues throughout Long Beach. Meeting locations and any scheduled non-meeting Tuesdays are announced in advance through the Century Club newsletter and text messaging system.

Meetings feature presentations from professional athletes, coaches, athletic directors, and student-athletes representing California State University, Long Beach (CSULB), Long Beach City College (LBCC), and local high schools, giving members an opportunity to hear firsthand about athletics in our community.

Our meetings are relaxed and informal. When held at The Boathouse, members are encouraged to purchase food or beverages in appreciation of their hospitality. Many members also arrive around 5:00 p.m. to socialize before the meeting begins.

At the conclusion of most meetings, the club holds a raffle featuring items donated by members and local businesses. This fun tradition also serves as an important fundraiser supporting the Century Club’s mission, and members are encouraged to participate.

In addition to weekly meetings, the Century Club typically hosts a Monthly Social on the last Tuesday of each month at a local restaurant, sporting event, or venue. These casual gatherings are a great opportunity to get to know fellow members, support local businesses, and introduce prospective members to the club. Members are encouraged to bring a friend, colleague, or family member who shares our passion for supporting youth athletics.

Major Annual Events

Throughout the year, the Century Club hosts several signature events that celebrate local athletics while raising critical funds to support our mission. In addition to these annual traditions, the club also participates in a variety of community events and volunteer opportunities that arise throughout the year. We encourage every member to attend, get involved, and support our efforts whenever possible.

- ***Annual Sports Banquet*** - Held each June, the Annual Sports Banquet is the Century Club's premier celebration of amateur athletics in Greater Long Beach. The evening includes the induction of new members into the Long Beach Century Club Hall of Fame, recognition of the Athlete of the Year, Coach of the Year, and outstanding community supporters of local sports. The club also honors the top male and female high school student-athletes from every sport in the Long Beach Unified School District, as well as the top male and female student-athletes from CSULB and LBCC. Each honoree receives a commemorative plaque, and several scholarships are awarded during the banquet.

- ***Middle School Sports Banquet*** - Each May, the Century Club recognizes the accomplishments of student-athletes participating in the Long Beach Unified School District's middle school sports program. Nearly 1,500 student-athletes, coaches, and family members attend this special event each year. Members play an important role by volunteering throughout the evening as the club presents commemorative plaques to student-athletes, coaches, and school principals. This event highlights the importance of youth sports and the pipeline of future high school athletes in Long Beach.

- ***Mayor's Trophy Charity Golf Tournament*** - Held each September, the Mayor's Trophy Charity Golf Tournament is the Century Club's largest annual fundraiser and one of Long Beach's premier charitable sporting events. The tournament brings together local businesses, community leaders, schools, universities, first responders, and Century Club members for a day of golf, networking, and fundraising. Members can participate as golfers, sponsors, volunteers, committee members, or by donating raffle and auction items.

- ***Long Beach Marathon*** - Each year, the Century Club partners with the Long Beach Marathon by volunteering at the finish-line beer garden. Members assist with serving participants while raising funds to support the club's ongoing programs. It's one of the club's most enjoyable volunteer opportunities and a great way to support both the marathon and the Century Club's mission.

Member Expectations

The Century Club is a volunteer-driven organization, and every member is encouraged to participate in whatever capacity they are able. Like most community organizations, our success depends on the involvement of our members. Opportunities to get involved include attending weekly meetings, volunteering at signature events, serving on a committee, recruiting new members, and supporting the club through financial or in-kind donations. Every contribution—big or small—helps strengthen our organization, build lasting friendships among members, and further our mission of supporting youth and amateur athletics throughout Greater Long Beach.

Club Attire

The Century Club is a casual organization, and attire at most weekly meetings reflects that. Many members come directly from work, so you'll see a variety of business, business casual, and casual clothing. Century Club apparel and branded merchandise are also available for members through approved vendors and are always encouraged at club events. For the Annual Sports Banquet and other formal occasions, business or cocktail attire is recommended.

General Information About Century Club Finances

The Long Beach Century Club is a nonprofit 501(c)(3) organization funded through membership dues, fundraising events, raffles, sponsorships, and individual and corporate donations. As a registered charitable organization, the club maintains accurate financial records and files all required reports with the Internal Revenue Service. *Tax ID: 33-0103795*

The Board of Directors oversees the club's finances by approving expenditures, reviewing funding requests, and ensuring the long-term financial stability of the organization. Every effort is made to direct funds toward programs and initiatives that support the Century Club's mission of advancing youth and amateur athletics in Greater Long Beach.

Throughout the year, local schools, teams, and organizations may submit funding requests for Board consideration. In addition to providing financial assistance to qualifying programs, the Century Club supports the costs associated with honoring student-athletes, coaches, and community leaders at its annual banquets. Based on available funds at the close of each fiscal year in June, additional contributions may also be awarded to CSULB, LBCC, and local high school athletic programs.

Corporate/Major Sponsors/Estate Planning

The Century Club is grateful for the support of local businesses, corporations, foundations, and individual donors who help make our mission possible. We are always looking to build new community partnerships. If you know of a business or organization interested in supporting the Century Club, we encourage you to share the opportunity with the Club President or Board of Directors. As a 501(c)(3) nonprofit organization, donations are tax-deductible as allowed by law.

The Century Club has also benefited from members and supporters who have included the organization in their estate planning. These legacy gifts help ensure the club can continue serving future generations of student-athletes. Members interested in learning more about legacy giving are encouraged to contact the Club President.

Membership Dues & Ways to Support the Club

The Century Club is a volunteer-driven nonprofit organization, and the continued support of our members makes our mission possible. Annual membership dues are required and are currently $100 for regular members and $50 for current middle school and high school coaches and administrators.

Beyond annual dues, members are welcome—but never required—to support the club in a variety of ways, including:

- Purchasing raffle tickets at weekly meetings
- Attending the Annual Sports Banquet
- Sponsoring a student-athlete's attendance at the Annual Sports Banquet
- Sponsoring an award or commemorative plaque
- Purchasing advertising space in the Annual Sports Banquet program
- Participating in the Mayor's Trophy Charity Golf Tournament
- Donating food, supplies, or other items for the Middle School Sports Banquet
- Making monetary or in-kind donations to support the Century Club's mission

Every contribution, regardless of size, directly supports the Century Club's efforts to recognize student-athletes, provide scholarships, and strengthen amateur athletics throughout Greater Long Beach.

Welcoming New Ideas

The Long Beach Century Club continues to grow because of the ideas, talents, and dedication of its members. Whether you have a suggestion for a new event, a fundraising opportunity, a community partnership, or a way to improve the member experience, we want to hear from you. We encourage you to share your ideas with the Club President, a Director-at-Large, or any member of the Board of Directors. Your input is always welcome and appreciated.

Once again, welcome to the Long Beach Century Club. We are proud to have you join an organization that has supported youth and amateur athletics since 1957. Together, let's continue that tradition and make a lasting impact on the next generation of student-athletes.
